

GARBAGE COLLECTION

We offer a wide range of container sizes and pick-up schedules. Let us help you choose the service that's right for your business.

GREENER POSSIBILITY:

CONDUCT A WASTE AUDIT. Inspect your trash carefully and you'll probably find there are a lot of things that can be recycled rather than thrown away. Smaller garbage containers or fewer pick-ups mean savings for you.

DEBRIS BOX SERVICE

San Bruno Garbage Company holds the Exclusive Franchise with the City of San Bruno to provide debris box services in San Bruno.

Debris boxes are available in a variety of sizes for both your refuse and recycling needs. We also offer a comprehensive Construction and Demolition (C&D) Recycling Program.

Please call our office for details or to schedule service.

MAXIMIZE RECYCLING, MINIMIZE COST!

GREENER POSSIBILITY: SINGLE-STREAM RECYCLING — ONE CART DOES IT ALL!

RECYCLING COLLECTION SERVICES ARE INCLUDED WITH YOUR GARBAGE SERVICE

MIXED PAPER

Magazines, phone books, newspapers, catalogs, paper bags, envelopes, junk mail and shredded paper. To help reduce litter, please place shredded paper in **paper bags** before placing in recycling cart.

CARDBOARD

Break down cardboard to fit inside cart with lid closed.

CONTAINERS

Aluminum, and bi-metal cans, glass bottles & jars, narrow neck plastic bottles #1-#7, wide mouth plastics #2-#5 (like margarine and yogurt tubs).

Styrofoam, packing peanuts, plastic bags and plastic wrap are NOT ACCEPTED in the recycling program. For information on recycling these and other items not listed, please call our office or visit us online at www.sanbrunogarbage.com.

GREENER POSSIBILITY:

CARDBOARD SERVICE

Does your business generate a lot of cardboard? We offer separate containers for flattened cardboard, sized to fit your needs and at no extra cost.

Call us today and we'll help you set up a collection program that's right for your business!

HAZARDOUS WASTE DISPOSAL

Please protect the environment by keeping toxic materials from your business out of the garbage and recycling containers.

Some common toxics include:

- Antifreeze
- Batteries
- Cell Phones
- Cleaning supplies & solvents
- Computers & televisions (CRTs)
- Electronics
- Fluorescent lights & tubes
- Mercury thermometers & switches
- Motor oil & filters
- Paint
- Pesticides
- Refrigerators & freezers

FOR RECYCLING AND DISPOSAL INFORMATION, please call our office at 650-583-8536, or the County of San Mateo's Hazardous Waste Program at 650-363-4305.

SELF-HAUL DISPOSAL

The San Bruno Garbage Company Transfer Station is open to the public for self-haul disposal and recycling on SATURDAYS ONLY from 8AM – 3PM. For rates or information please call (650) 583-8536.

GREENER POSSIBILITY: SEPARATE

RECYCLABLES. If you decide to self-haul discards, be sure to separate out recyclables. You'll save money and valuable resources too!

The San Bruno Garbage Company Transfer Station is located at 101 Tanforan Avenue in San Bruno.
